

Recommendation Letter for Anastasia Andreou

To Whom It May Concern,

I am pleased to recommend Anastasia Andreou, with whom I had the pleasure of working at the Erasmus Student Network (ESN) AISBL from January 2024 until July 2025. During this time, I came to know Anastasia as a dedicated and reliable colleague and team member.

During my time as the Communications Manager, Anastasia has assisted me in community management, event organisation, and facilitation, in which she showed exceptional skills. As an ambitious and creative individual, Anastasia easily utilised her expertise in graphic design, social media, and policy communications to support both me and the members of the community.

Due to Anastasia's outstanding work as a Media Team member during the biggest student-led conference in Europe, Erasmus Generation Meeting Seville 2024, the content and the reach of ESN's TikTok and Instagram channels were elevated to impressive levels. Her contributions and extensive knowledge were invaluable for further growth in the quality and quantity of both platforms.

Aside from her technical abilities, Anastasia is always ready to learn and improve herself with every new challenge coming her way. She is someone who brings a collaborative spirit and strong integrity to the team, whether as a team member or a leader. Her attention to detail showcases a genuine commitment to high-quality work, a virtue crucial to any professional environment.

I am more than confident that Anastasia would be an asset to any company or organisation, considering her work ethic and trustworthiness. She has my full recommendation for any role or opportunity she chooses to pursue. If you require any further information, feel free to contact me.

Sincerely,

Lina Mohorić
